Your body is such a turn on for me, and I just love the way it looks. You always smell and taste so good. I can't wait to get my mouth on you and your beautiful breasts. Who knows, maybe one day you'll convince your girlfriend to join us. She's a fox, too. But until then, and I hope it will be soon, we'll just keep enjoying ourselves.

SWEET THING

Driving one night, I saw a sign that stopped me cold: "Kuntz General Store." I thought it was a joke, till I got a look inside…

It was rapidly getting dark and I was barreling across the autumn countryside in an old gray Ford that I affectionately called the Gray Ghost. I was hungry as hell and racing my wheels like crazy down Route 66, across the dustbowl plains, someplace in Kansas, I think. Country music twanged on the radio and destiny was at my tail.

All of a sudden I came to a clanking stop in one of those silo towns. And that was about the size of it: one huge grain silo that you could see for miles across the flatlands, an old gas station and a lonely looking general store.

I mean, that's all there was. So I pulled over and just sat there. It was like some "Wizard of Oz" movie, only for real. The ominous sky hung heavy, waiting for a witch to fly through the clouds. A tornado could hit at any minute; it was that kind of sky.

I just sat there, the car caked with the midnight mud of irrigation ditches and a thousand dead insects. I was truly a mad traveler. And I couldn't believe that sign: KUNTZ GENERAL STORE in huge letters. I looked at it and laughed my ass off.

I emerged from the Ghost and walked slowly across the street. This I just had to see for myself. I walked up the creaky, old, wooden steps of the Kuntz General Store with a shit-eating grin on my face. I was tired from my long drive and my imagination was working overtime. I was getting silly. There was a soda fountain on one side of the store and a pretty, young girl was holding sway—literally!

I sat down and ordered a hamburger, a glass of milk and a slice of apple pie. And I watched the girl as she moved her lithe, young body. She kept looking out the window at my car. She'd probably never seen anything like it. Matter of fact, neither had I before I had bought it. I was kind of proud of it. A real classic, in a surreal sense, like out of a weird, black-and-white newsreel dream.

So I'm eating my hamburger and watching this girl. Me, a tired poet on the loose from my favorite asylum, San Francisco. And now, plunked down right here in absolute nowhere. Feeling abstract. Car loaded to the gills with books, my guitar and all the odd vestiges of my life.

After eating, I decided I felt like talking.

"Hi," I said.

"Hi," she replied. "I saw you drive up." She paused, fiddling with her apron "I couldn't believe it!"

"Yeah, I know what you mean," I said, looking out at the car. "That's the Gray Ghost, and I'm actually afraid to wash it."

"Why?"

"Well, I think the mud and dirt is the

Tara disappeared for a short while, and then reappeared. "Well?" she asked, standing before me in the soft light in a pink see-through nightie.

only thing that's holding her together." I smiled, and the girl smiled back. She was looking good. Wholesome. Beautiful, actually. Young, she couldn't be more than 18. Honey-blonde hair. Large, sweet tits. Green eyes. Oh, kitty, kitty....

"I get off in 10 minutes," she said softly, leaning on the counter in front of me, "I mean, if you'd like to show me your car."

"Sure, yeah," I answered slowly. And I watched her move like a cat behind the counter, slowly removing her apron, looking over her sensuous shoulder, smiling—the unmistakable gleam of sin and lust in her sweet little eyes.

Sweet thing. I should've asked her name, I thought. She probably hadn't seen a wild man like me in years. A combination of James Dean and Attila the Hun. Lean, bearded, a million miles of living in my eyes and almost as many on my car. In retrospect, I must've been quite a sight. Me and the old Gray Ghost. But I was a creature of images and I played the strange, mysterious traveler for all it was worth. And it seemed to be working.

I finished my burger and apple pie. Washed it all down with a large glass of milk and gave "sweet thing" a little nod and a wink. She came sashaying over. "Would you like anything else?" she asked.

"Never thought you'd ask, I shot backed."

"Well, what would you like?"

And I just grinned, looking at her nice, round ass. "You know," I said, "I think I'd like to dump about a case of beer down the inside of my neck." And I certainly did. I mean, I felt absolutely parched. Horny too.

"Well, let's go," she said.

"Go where?" Where in hell was there to go out here, surrounded by miles and miles of nothing but miles? "

Well, you wanted some beer, didn't you?" she said, ringing up my tab. I nodded as she came around the counter. "See ya, Joe," she yelled into the back room. Silence. Then she took my hand and led me across the store to the beer cooler and asked, "What do you want?"

I couldn't resist. I grinned, giving her luscious body a studious once over. "I mean, what kind of beer you do want?" she said, smiling and loving every minute of my lecherous desire, my drooling mind.

"Let's get a couple of six-packs of Bud," I said. I gave her the money to ring up at the register. She returned, taking my hand once again and we walked across the street to my car.

"Hey," she said. "I forgot to ask you your name."

"Steve, "I said as I opened the door for the little lady. I set the beer in the back seat. "And what's yours?"

"Tara. Hey, your beer's getting warm."

So I jumped into the Gray Ghost and popped open a brew. Off to God knows where. The Wizard, I supposed.

"Tara, you want a beer?" I removed one from the pack, handing it to her. "Go ahead, have one."

"All right," she said, popping the lid off.

"Where to?" I asked.

"Let's go out to my place. I'll show you the farm."

"Onward!" I said, and put my ride in gear.

She led me around strange pasture roads, desolate junctions, acres of checkerboard fields, and finally down a bumpy old dirt road to a battered 1920s farm.

"You live here alone?" I asked, stalking the eerie old house.

"With my father," she said. "Mom died when I was little."

"Where's—"

"My father?" she interrupted. "Driving a truck. He's gone for a couple weeks at a time." Then she moved close to me. "Make yourself comfortable, Steve. We're all alone."

So I settled down in a comfortable old chair in the dreary parlor and opened a beer. The dark outside grew darker still.

Tara disappeared for a short while, and then reappeared. "Well?" she asked, standing before me in the soft light in a pink see-through nightie.

"Fantastic," I said. "Come here."

And she eased over and sat on my lap, squirming her lovely round ass on my cock. She reached between her legs to

stroke it. "Aren't we getting friendly?" she said, as she slid down from my lap, onto her knees, unzipping my fly and releasing my throbbing manhood. Then she gently licked and sucked it. Just when I thought I would blast in her sweet mouth any minute, she got up and whispered, "Let's go to the bedroom, Steve."

I followed her through the darkened house to the bedroom, walking a little strangely from the discomfort of my enormous hard-on. But Tara took care of that. She sat on the edge of the bed and giggled with sinful glee as she undressed me, fondling my cock and balls. Then she took her nightie off and threw herself on the bed, her arms held high. "Come on, Steve," she said, "fuck me—and fuck me hard."

I moved slowly into her arms, kissing her soft lips, then her neck, and her beautiful large tits while she steered my cock up and down the gentle puffy lips of her pussy and easily into her moist, tight little hole.

"Oh, Steve," she sighed, as her hungry cunt began to swallow the entire length of my cock. Her pussy muscles were pulling my eight inches deeper and deeper, twitching as he writhed under me, moaning.

And I drove her slowly at first, with my famous long stroke, way out and in, as she groaned in total abandon from the fury of our seething passionate fuck.

She clenched her teeth as she came, throwing her arms and legs around me, bucking to the rhythm of her cataclysmic orgasm. Then I shot my own load of hot sticky cum into her steaming pussy. She whimpered in the sweet afterglow of our passionate sex—kissing my neck, my cheek, my lips—her pussy clenching tightly around my cock, squeezing the last oozing drops of cum from my body. She wanted it all.

I rolled over and must've dozed off or passed out from the weary miles and the strenuous fuck, only to awaken a short while later to find find her hungrily sucking on my cock.

"Oh, Steve, you're awake," she said. "I was so horny. I just couldn't resist."

"Roll over," I said, still groggy. Half-asleep, I fucked her again as hard as the first time, maybe harder, thrusting my ramrod eight inches of hard meat to the hilt as she gasped and screamed for more and more.

I had finally satisfied her; for now. I rolled back over but I waited to be sure, and listened to her slow, easy breathing. She was asleep. Then I fell, once again, into a deep sleep.

I woke in the early dawn hours to the strange sound of a rooster crowing in the distance, and the odd first red glow of day filtering above the horizon and below the clouds. Tara was still asleep.

I quietly slipped out of bed, gathering my clothes in a hushed tip-toe silence. I was making good my escape. Something I had always wanted to do, in the back of my mind for years. With shoelaces trailing, shirt tail flying in the brisk morning air, I made a quiet, hasty run for the Gray Ghost and was gone in a cloud of Kansas dust and dreams.

And I thought of Tara then, with a wicked smile on my face. I wound the car around patchwork fields on the mist of the early-morning roads. All looking alike. Crazy intersections in the middle of nowhere. Everything hushed, sleepy and quiet, except for the roar of my tortured engine. I almost panicked thinking I was lost, when the small town loomed like a beacon ahead of me. I knew that it would put me back on Route 66, headed for the East Coast.

I rounded the side road and slowed like a prowling cat into the stillness of the town. Main Street. Then I came to a stop in front of the store. The motor purred in anticipation of the viciousness I would inflict upon it. My very own beast of deliverance.

I looked up at the sign above the store for the last time. "Well, I'll be damned," I muttered to myself as I patted the dashboard, put on some country music, and shifted her into gear. "Guess I wasn't dreaming after all," I said. "There really is a Kuntz General Store."

And with that I roared out of town, with memories of sweet Tara.

I had finally satisfied her; for now. I rolled back over but I waited to be sure, and listened to her slow, easy breathing. She was asleep. Then I fell, once again, into a deep sleep.

Shay Evans

Shay heard about Derrick's cock and wanted to experience it for herself. She showed her sweet tits as the password to get onto his cock. Soon she undressed and revealed her luscious body and played with her sweet pussy before sucking and fucking that cock.

My boobs lead the way when I walk into a room, then the rest of me follows. I know I can make that type of an impact because I tend to ooze out a high energy sexuality. And yes, I like to dress sexy and talk sexy. But you know what? I got the boobs and chops to back it up. My sexual energy is apparent with a good fuck. Like this one.

I couldn't help myself. His European accent and huge cock are very hard to resist. When he looks at me I can feel my pussy immediately become moist. They say a girl shouldn't give it up on the first date, but I command the cock. I control the pussy, and I give it up when I want to. It feels good to be the one in control for a change.

BICYCLE BANG

He and his horny neighbor ride bikes together — and each other

Our bicycles were forgotten; they lay in a heap on the ground. Gayle's legs were wrapped tightly around my waist. Her hips pumped wildly back at my every thrust. Her pussy was so tight, so wet, and so hot. Better than I'd ever dreamed.

And I'd been dreaming for a long time. We'd lived on the same street for years. She and my wife are good friends. Her husband travels. So we don't have much in common as a couple.

Gayle is the sexiest woman in the neighborhood. Every time she cuts the grass in shorts and halter top, she has every guy on the block watching, with a stiff dick.

Until recently, I had very little contact with Gayle. I'm pushing forty and getting flabby around the middle. I tried jogging, but my old legs hurt for a week afterward. So I switched to a bicycle for exercise. I began riding every evening for an hour or so.

It was the second week that I discovered that Gayle was a bike rider too. It wasn't long before we were riding together and chatting like old friends.

I'm not sure why, but I never told Jessie (my wife) about my new riding partner. It was innocent. All very public. All we did was talk as we rode. But in my fantasy world, she quickly became very important.

Every time I had sex with Jessie, I was mentally fucking Gayle with my stiff dick. Just imagining her round, soft body underneath mine had me moaning, groaning, and coming like I haven't done in years. Jessie really got off on my new enthusiasm for sex. Suddenly, she was having more and better orgasms than ever before. I found myself wishing I could thank Gayle for the improvement in my sex life.

Gayle got sexier every time I saw her. Those deep, green eyes smolder with hidden lust. I knew in my heart that her husband wasn't around enough to satisfy her. He was only home on weekends.

Usually she wore slacks and a blouse. All very modest. But as the summer wore on, she seemed to wear less and less. Still, I don't think anything would have happened between us if she hadn't worn that outfit.

Finally one afternoon, she showed up for our ride in what she called hot pants. It was a denim short with rolled up cuffs making them even shotert. Just the words hot pants, had my imagination going wild.

Every time I had sex with Jessie. I was mentally fucking Gayle with my stiff dick.

By that time we were on good enough terms for her to kid me about them. "I've had hot pants a lot longer than I've owned this dress," she exclaimed as we rode.

"I'll bet." I shouted back and passed

her, daring her to race me up the hill. She is much faster than I am and soon passed me like I was standing still. The wind blew the short skirt right up.

Were it not for the shorts, it would have been quite a sight. I told her as much when we stopped to catch our breath. "I don't always wear the shorts with it," she blushed. "One of these days you may get a surprise."

It was late and we ended the ride. That evening, my cock stayed half hard all evening. I couldn't get the picture of Gayle in that outfit and no shorts out of my mind. Jessie was at a PTA meeting. There was no chance for relief. So I took a long shower and jerked off as I imagined myself fucking Gayle.

The next day, at work, I couldn't concentrate. The day dragged by. How I wanted her to be wearing that outfit the next time we rode. As luck would have it, I was not to be let down.

The next evening, we rode for about two miles before Gayle pulled her bike off of the road behind some trees. It was cool and shady there. I pulled in behind her. "What's wrong?" I asked, since it is unusual for her to stop. I'm usually the one to insist that we stop to rest.

"My seat," she replied. "It's loose. Can you take a look at it?"

I propped my bike and walked over to take a look. I put my hands on the front and back and wiggled it from side to side. It wasn't loose. But the front part of the bicycle seat was warm. And covered with something slippery. It was from her hot pussy. I couldn't believe my luck. There were no shorts under the hot pants. Sweet Gayle had been rubbing her hot, wet cunt up and down that seat and she wanted me to know it.

I put my head closer to inspect the seat bolt. The aroma of her fresh sweet pussy filled my head. I was dizzy. My prick was bone hard. I couldn't tell if she knew what was happening to me or not. "It's tight," I mumbled, my face still close to the slippery seat.

"I've got on the hottest pants of my life.

I'm hot for you." She pulled my hand to her pussy as she spoke and it was wet. So ready. My knees were weak. "See?" she whispered.

Once my hand was between her parted legs, there was no stopping me. I had to have her, no matter the cost. I let one of my fingers slip into her tight channel while my thumb teased her swollen clit in broad daylight. We must have stood there like that for ten minutes, my fingers driving her wild. She was like a tigress, humping my hand like crazy. She was going to come. I could sense it. I wanted to finger her to a mind-blowing orgasm.

It wasn't long before I got my wish. Her body began to quiver and shake. Her breath came in gasps. She locked her legs, trapped my finger deep in her hot snatch, and pumped her ass like crazy as she came again and again.

I stood there, my dick ready to burst, and enjoyed the feeling of power. Even on our honeymoon, my wife never reacted like that. Wow, Gayle sure knew how to come.

When finally she came back to earth, she flopped down on the ground with her back against a tree. Her bike had fallen over and crashed into mine. Neither of us bothered to pick them up. I only had one thing on my mind and it was between

"I've got on the hottest pants of my life. I'm hot for you." She pulled her hand to her pussy as she spoke and it was wet. So ready. My knees were weak.

It was maddening to watch her ride and know that her sweet, wet pussy was being rubbed by the bike seat instead of my tongue.

Gayle's long, lovely legs.

I sat beside her and let her rest her head on my shoulder while she recovered. She confessed that it had been the first really good orgasm she'd had in months. Ronnie, her husband, was too tired from traveling to satisfy his beautiful young blonde wife.

How could a guy stay out of town with a hot-blooded chick like Gayle at home waiting for him? I knew I couldn't. I was ready to risk all and fuck her in the park.

Fortunately, Gayle had better sense. Her hand toyed with my stiff dick while we talked. She admitted that she wanted me as much as I did her. But she insisted that we go to a place more private. We climbed back on the bikes and began our search for a safe place. It was maddening to watch her ride and know that her sweet, wet pussy was being rubbed by the bike seat instead of my tongue.

Finally, in desperation, we pulled into a gas station. I pretended to put air in my tires while she got the key to the ladies room. She winked and waved for me to follow as she rounded the corner of the station. I can't believe I did it, but I actually went into the ladies bathroom as I followed her swinging little ass. It was very small, one stool and a sink.

She turned around as I closed and locked the door. Our bodies were pressed together. Her nipples were already hard. They pushed eagerly against my chest. My hard cock rested between her parted legs.

She pulled her dress up and unzipped me in a flash, while she explored my mouth with her hot tongue. Even though she had come only a few minutes before, she seemed like a woman who had been without sex for years. And I was going to cure that for her in a hurry!

She was light as a feather as I put my hands around her tiny waist. Without breaking our kiss, sat her up on the sink. She threw her legs wide open and gasped as I sank my hard dick into her steamy cunt in a single thrust. I managed to pull her blouse open and freed those mouth-watering tits from her bra. The sensation was unbelievable, her soft, sweet tit in my mouth as our bodies humped in perfect unison, in the tiny, hot bathroom.

My staying power surprised me. I must have pumped my rock-hard dick in and out of her steaming cunt two hundred times as she had orgasm after orgasm. She was a shivering, squirming, writhing mass of hot female flesh before I finally lost all control and rammed my cock deeply into that tight hole, and spurted my hot jizz against the velvet walls of her cunt.

We stayed in that position until my prick shriveled and slipped out with a loud plop. She laughed and teased me as it did. We managed to sneak out of the ladies room unobserved and quickly mounted our bikes and rode home.

I always believed that my wife would know instantly if I ever had sex with another woman. But other than being steamed about my being an hour late, she couldn't tell any difference. She seemed even more responsive than ever that night as I relived that wild bathroom fuck, with my hard cock deep in her pussy.

I love the new arrangement. Gayle and I ride together every other night. Only now we don't use those bikes for anything other than transportation to a good place to fuck. My wife fills in later at night or in the morning. Between those two women, I'm in the best shape of my life.

Who says life doesn't begin at 40?

I blossomed early and all the boys went crazy. Now I'm a voluptuous woman who savors the attention these boobs and butt bring me. So much so, that I chose to share them with you and this guy I hardly know. I would really like you to watch my online video and see this body for yourself.

Alita Toro

Alita wanted some fun summer photos for her social media accounts. She loves showing herself off in front of the camera. We started a bit slow, but the shoot progressed, her pretty boobs popped out and she started getting too frisky for social media. But she said she wanted to screw her boyfriend in front of us, and we loved it, too.
